REALITIES—M. Basilica Schlink. "This book does not deal theoretically with the idea of a God who works miracles," says the author, "it is a factual report of that which the Living God has actually done. We have actually experienced the love and power of God, a God who works miracles." —\$1.25 (post 25c).

THE HIDING PLACE—Corrie ten Boom. An exciting and inspiring book by a woman of tremendous faith, set against the background of war-torn Holland, where a crisis touched the lives of two elderly sisters, one of them, Corrie ten Boom. PRAYERS FOR THE CHURCH ARMY

FOR ITS OFFICERS : Grant O God, to the Officers of the Church Army

the Faith which sees the Cross and knows that all men may be redeemed;

the Hope which sees the empty tomb and knows that good must triumph over evil;

the Love which sees Jesus and knows that in Him alone the hearts of men can be fully satisfied,

For His Name's sake. Amen.

FOR THE SUPPLY OF ITS NEEDS : O God our Heavenly Father, who has enabled the Church Army to make your love known through the preaching of the Gospel and through social service, grant that many may hear your call to serve in its ranks and to support it by their prayers and by their gifts, and help us all to be faithful witnesses for you, through Jesus Christ our Lord. Amen.

Your legacy to the Church Army could help to ensure the future training of men and women as Evangelists and enable the development of the Society's work in many areas of direct evangelism and Christian service.

For your guidance the following wording can be used as a clause or codicil in your Will.

"I give to the Church Army in Australia *

New Editor

Most busy people find they can accumulate additional jobs very easily, but that it is much more difficult to reduce the work load. Therefore I consider myself fortunate to have found a new Editor for this magazine. She is Sister Pat Free, our Staff Sister here at Federal Office. I commend Sister Free to our readers in the belief that she will produce many very interesting issues of The Pioneer. I know she would value your prayer support and also, from time to time, your comments and suggestions.

I have always enjoyed editing the magazine and have been grateful for the interest shown by many readers.

The production costs are going up all the time, so if you can find us some new subscribers it would be a great help and encouragement.

(Captain) R. L. Gwilt.

A Happy 40th Birthday

Officially, the 40th anniversary of the Church Army in Australia fell on Sunday, 4th August. For the occasion, several Sydney officers joined with others already in Newcastle to preach at the morning services of a number of parishes. Together with one Church Army wife and the Rev. Dr. A. Capell, nine officers visited Islington, Mayfield, Hamilton, Merewether, Georgetown, Kotara South, Charles-town, Belmont, Lambton, Wallisend, Stockton, Willamtown, Cook's Hill, Hamilton South, Beresfield, Adamstown and the Cathedral.

Thanksgiving to God for 40 Years of Evangelism

The Preacher at the Service in Christ Church Cathedral was the Venerable Neville Chynoweth, Archdeacon of Canberra and a Member of the

by the Newcastle Women's Auxiliary. The privilege of cutting the three-tier Birthday Cake was given to Miss R. Grisdale, M.B.E., a very early member of the Women's Auxiliary.

Third Aboriginal Priest

The Reverend Captain Norman Polgen is only the third Aboriginal to be ordained a priest in the Church of England in Australia. He was made a deacon in 1969 when serving in the Perth Diocese and was ordained priest by the Bishop of Rockhampton on the 11th July.

The Cathedral at Rockhampton was well filled with a large number of people from local parishes as well as the boys and staff of the St. George's Home. Quite a number of clergy were also present.

The ordination service had quite a Church Army flavour as three other officers were present and shared in the Service. The Epistle was read by Captain Warren Darnley who is on the staff of the church of St. George was filled to capacity with friends and well-wishers and the boys and staff of the Home.

Norman is the only ordained officer serving in the Society and he will continue his present work on the staff of the St. George's Home and assisting on Sundays in the local parish. He also visits the Rockhampton Gaol where he has a particular ministry to Aboriginal prisoners.

Is God calling you to proclaim Christ?

The Church Army trains Evangelists. Young men and women, 19-35 years of age, communicant members of the Church of England in Australia, are invited to write to :

The Candidates' Secretary,
The Church Army in Australia,
P.O. Box 107,
French's Forest, N.S.W. 2086.

A HAPPY 40th BIRTHDAY (continued)

As a team, they are going out in answer to the command :
"You are to go into all the world and preach the Good News to everyone." (Mark 16.15, Living Bible).

David's own particular responsibility is at St. Luke's Church of England Retirement Village, where he is the Chaplain. He visits people individually, and regularly leads a time of Bible Study and discussion at the Village, for those who are interested to come. David and Diana believe they are called by God to proclaim His love in Jesus Christ to those they meet.

Church Army Executive Board. The Archdeacon spoke on the text, 'I have become everything in turn to men of every sort, so that in one way or another I may save some' (1 Corinthians 9:22). He

spoke of the beginnings of the Church Army in England and its establishment in Australia in 1934 under Captain John Cowland. "Church Army officers are called to a wide variety of tasks," he said, "conducting missions, hostels for children, homes for the aged, chaplains in industry and to penal establishments Aborigines have for some years played a significant role as Church Army officers, ministering to their own people as well as to white folk Captain John McKnight, working amongst young people living in communes on the north coast of New South Wales, continues the Church Army tradition of becoming 'everything in turn to men of every sort'."

Sydney

"Celebrations" in Sydney took place mainly on Sunday, 21st July, when officers preached at morning and evening services at Windsor, Fairfield, Pageewood, Bondi, Lithgow, Granville, North Parramatta, Narellan, Picton, Epping, Gordon and Ryde.

Church Army

We are especially grateful to the bishops and clergy, who make our visits to so many parishes possible, and to their parishioners for the interest shown in our work and their generous response to our financial needs.

Thank You

A very happy evening was spent on Friday, 9th August, at Holbrook, N.S.W., when two officers and five students attended a Parish Tea at the Rectory, and put on a programme about the work of the Church Army and training at the College. The group were en route to Melbourne, where they joined with the Federal Secretary and two other officers to visit Cheltenham, Surrey Hills, Ashburton, Blackburn, Mitcham, Graythorn, Belgrave and the Cathedral.

Holbrook and Melbourne

Keiraville and Pendle Hill were also visited on other Sundays.
